One, two, three, four!

Yeah!

Attitude
Some fuckin' attitude
I can't believe what you say to me
You got some attitude

Inside that bitter brain
There's gotta be a whore
If you don't shut your mouth
You gonna feel the floor, yeah!

Attitude
What you've got
Some fuckin' attitude
Attitude
Is what you've got
Some fuckin' attitude
Yeah right!

Inside that bitter brain
There's gotta be a whore
If you don't shut your mouth
You gonna feel the mother fuckin' guitar

Ooh attitude
Some fuckin' attitude
I can't believe what you say to me
You got some attitude
Ooh attitude
Some fuckin' attitude
I can't believe what you say to me
You got some attitude

Yeah
Yeah
Yeah!
