No one ever told me when  
I was alone  
They just thought I'd know better, better

No one ever told me when  
I was alone  
They just thought I'd know better, better

The hardest part  
This troubled heart  
Has ever yet been through now

Was heal the scars  
That got their start  
Inside someone like you now

For had I known  
Or I'd been shown  
Back when how long it'd take me

To break the charms  
That brought me harm  
And all but would erase me

I never won  
Or thought I could  
No matter what you'd pay me

Replay the part  
You stole my heart  
I should have known you're crazy

If all I knew  
Was that with you  
I'd want someone to save me

It'd be enough  
But just my luck  
I fell in love and maybe

All that I wanted was

Now I know you better  
You know I know better  
Now I know you better

So bittersweet  
This tragedy  
Won't ask for absolution

This melody  
Inside of me  
Still searches for solution

A twist of faith  
A change of heart  
Cures my infatuation

A broken heart  
Provides the spark  
For my determination  
No one ever told me when  
I was alone  
They just thought I'd know better, better

No one ever told me when  
I was alone  
They just thought I'd know better, better

All that I wanted was

Now I know you better  
You know I know better  
Now I know you better

I never wanted you to be so full of anger (anger)  
I never wanted you to be somebody else  
I never wanted you to be someone afraid to know  
themselves  
I only wanted you to see things for yourself

All that I wanted was

Now I know you better  
Now we all know better  
All that I wanted was

Na na na na  
Na na na na  
Na na na na  
Na na na na  
(cont. thru verse)

If I were you  
I'd manage to  
Avoid the invitation

Of promised love  
That can't keep up  
With your adoration

Just use your head  
And in the end  
You'll find your inspiration

To choose your steps  
And won't regret  
This kind of aggravation

No one ever told me when  
I was alone  
They just thought I'd know better, better

No one ever told me when  
I was alone  
They just thought I'd know better, better
