When all is said and done  
We're not the only ones  
Who look at life this way  
That's what the old folks say  
But every time I'd see them  
Makes me wish I had a gun

If I thought that I was crazy  
Well I guess I'd have more fun  
Guess I'd have more fun

Ooh the Catcher in the Rye again  
Ooh won't let ya get away from his gun  
It's just another day like today

You decide  
If I don't have to  
Then they'll find  
And I won't ask you  
At anytime  
Or long thereafter  
If it's cold outside  
As I'm imaging  
How it's gonna be  
All alone

(Solo)

Ooh the Catcher in the Rye again  
Ooh won't let ya get away from his gun  
It's just another day like today  
When all is said and done  
We're not the only ones  
Who look at life this way  
That's what the young folks say  
As if they'd ever change  
That's not whom I to say  
But every time I'd see them  
Makes me wish I had a gun  
If I thought that I was crazy  
Well I guess I'd have more fun  
It's what used to be's not there for me

And ought to find someone that belonged insane like I  
do  
Oh no  
Not at all (repeat)

On an ordinary day  
Not in an ordinary way  
All at once this song I heard  
No longer would it play for anybody  
Or anyone  
That needed comfort from somebody  
Needed comfort from someone who cared  
To be  
Not like you  
Unlike me  
And then the boy took that way  
From me  
So that he set the wheels in motion  
Haunts our memories  
You were the instrument  
You were the one  
How a body took the body  
Gave that boy a gun  
Took our innocence  
Beyond our stares  
Some type of omen  
There we got it  
All alone with her to tell
