Talk to me softly
There is something in your eyes
Don't hang your head in sorrow
And please don't cry

I know how you feel inside
I've been there before
Something is changin inside you
And don't you know

Don't you cry tonight
I still love you babe
Don't you cry tonight
And don't you cry tonight
there is a heaven above you baby
And don't you cry tonight

Give me a whisper
Give me sigh
Give me a kiss before you
Tell me goodbye
Don't you take it so hard now
And please don't take it so bad
I still be thinkin of you
And the times we had baby

Don't you cry tonight
Don't you cry tonight
And don't you cry tonight
there is a heaven above you baby
And don't you cry

And please remember
That I have never lied
And please remember
How I feel inside now honey
You gotty make it your own way
But you be alright now sugar
You feel better tomorrow
Come the morning inside now baby

And Don't you cry tonight

An don't you cry tonight
An don't you cry tonight
there is a heaven above you baby
And don't you cry
Don't you ever cry
Don't you cry tonight
Baby maybe someday
Don't you cry
Don't you ever cry
Don't you cry
Tonight
