When you're talkin' to yourself  
And nobody's home  
You can fool yourself  
You came in this world alone, alone

So nobody ever told you baby  
How it was gonna be  
What'll happen to you baby?  
Guess we'll have to wait and see

Old at heart but I'm only 28  
And I'm much too young to let love break my heart  
Young at heart but it's getting much too late  
To find ourselves so far apart

I don't know how you're supposed to find me lately  
And what more could you ask from me  
How could you say that I never needed you?  
When you took everything, said you took everything  
from me

Young at heart an' it gets so hard to wait  
When no one I know can seem to help me now  
Old at heart but I mustn't hesitate  
If I'm to find my own way out

Still talkin' to myself and nobody's home, alone

So nobody ever told us baby  
How it was gonna be  
So what'll happen to us baby?

Guess we'll have to wait and see

When I find out all the reasons  
Maybe I'll find another way, find another day  
With all the changing seasons of my life  
Maybe I'll get it right next time

Now that you've been broken down  
Got your head out of the clouds  
You're back down on the ground and you don't talk so

loud  
And you don't walk so proud any more, and what for

Well I jumped into the river  
Too many times to make it home  
I'm out here on my own, and drifting all alone  
If it doesn't show give it time to read between the lines

'Cause I see the storm getting closer  
And the waves they get so high  
Seems everything we've ever known's here  
Why must it drift away and die?

I'll never find anybody to replace you  
Guess I'll have to make it through this time  
Oh, this time without you

I knew the storm was getting closer  
And all my friends said I was high  
But everything we've ever known's here  
I never wanted it to die
