I won't be told anymore  
That I've been brought down in this storm  
And left so far out from the shore  
That I can't find my way back, my way anymore

No I won't be told anymore  
That I've been brought down in this storm  
And left so far out from the shore  
That I can't find my way back, my way anymore

No, I..I  
Forgive that they teared down my soul  
Bless them that they might grow old  
Free them so that they may know  
That it's never too late

For the many times that seemed like a memory  
I searched and found the ways you used to lure me in  
I found the ways,  
Oh, why it had to be  
Mired in denial and so afraid

If we ever find it's true  
That we have the strength to choose  
Ooo Freedom or the chains  
We held together

(Quotes)  
I'm gonna tell you a story  
Stand up for righteousness!  
What?  
Stand up for justice!  
What?  
Stand up for truth!  
How can a person grow up with all this around them?  
You got to call on that something  
Where does it come from?  
That can make a way out of no way  
All this hatred?  
What we've got here is..  
Fear!  
That power that can make a way out of now no way

Failure to communicate  
I tell ya I seen the lightning...I've heard the thunder roll!  
Everybody's acting like we can do anything and it don't  
matter what we do. Maybe we gotta be extra careful  
because maybe it matters more than  
We even know..  
Sometimes...  
Hatred isn't somethin' you're born with  
I feel discouraged  
It gets taught  
Sometimes I feel discouraged  
I felt this fear  
He promised never to leave me, never to leave me  
alone, no never alone, no never alone!  
Let's get something straight, alright?  
Promised never to leave me!  
This whole thing was fucked up  
Never to leave me alone!  
All men betray. All lose heart!  
I don't want to lose heart!...I want to believe  
Black men and white men  
Together at the table of brotherhood!  
I have a dream  
Free at last! Free at last! Thank God almighty!! WE ARE  
FREE AT LAST!!

I won't be told anymore  
That I've been brought down in this storm  
And left so far out from the shore  
And I can't find my way back, my way anymore

No I won't be told anymore  
That I've been brought down in this storm  
And left so far out from the shore  
That I can't find my way back, my way anymore
