I get up around seven
Get outta bed around nine
And I don't worry about nothin' no
'Cause worrin's a waste of my time

The show usually starts around seven
We go on stage around nine
Get on the bus about eleven
Sippin' a drink and feelin' fine

We been dancin' with Mr. Brownstone
He's been knockin'
He won't leave me alone
No, no ,no, he won't leave me alone
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before

We been dancin' with Mr. Brownstone
He's been knockin'
He won't leave me alone
No, no ,no, he won't leave me alone
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before

Now I get up around whenever
I used ta get up on time
But that old man he's a real muthafucker
Gonna kick him on down the line

I used ta do a little but a little wouldn't do

So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before

We been dancin' with Mr. Brownstone
He's been knockin'
He won't leave me alone
No, no ,no, he won't leave me alone
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before
I used ta do a little but a little wouldn't do
So the little got more and more
I just keep tryin' ta get a little better
Said the little better than before

Shoved it in the bindle and I shot it in the middle
And it, it drove outta my mind
I should've known better, said I wish I never met her
Said I
I leave it all behind Yowsa
