If I say, I don't need anyone
I can say these things to you
'Cause, I can turn on any one
Just like I turned on you
I've got a tongue like a razor
A sweet switchblade knife
And I can do you favors
But then you'll do whatever I like

Here I am
And you're a rocket queen
I might be a little young
But honey I ain't naive
Here I am
And you're a rocket queen oh yeah
I might be too much
But honey you're a bit obscene

I've seen everything imaginable
Pass before these eyes
I've had everything that's tangible
Honey you'd be surprised
I'm a sexual innuendo
In this burned out paradise
If you turn me on to anything
You better turn me on tonight

Here I am
And you're a rocket queen
I might be a little young
But honey I ain't naive
Here I am
And you're a rocket queen oh yeah
I might be too much
But honey you're a bit obscene

Here I am
And you're a rocket queen
I might be a little young
But honey I ain't naive
Here I am
And you're a rocket queen oh yeah

I might be too much
But honey you're a bit obscene

I see you standin', standin' on your own
It's such a lonely place for you for you to be
If you need a shoulder or if you need a friend
I'll be here standin' until' the bitter end

No one needs the sorrow, no one needs the pain
I hate to see you walkin' out there out in the rain
So don't chastise me or think I, I mean you harm
Of those that take you, leave you strung out
Much too far baby yeah

Don't ever leave me
Say, you'll always be there
All I ever wanted
Was for you to know that I care
