Sail away sweet sister
Sail across the see
Maybe you'll find somebody
That will love you half as much as me
My heart is always with you
No matter what you do
So sail away sweet sister
'Cause I'll be always in love with you

But let her be somebody else's queen
I don't want to know about you
Cuz that's why others know what I mean
And that's why I got to live without you

I'm in love with a girl
Been talkin' about
I'm in love with a girl
That I can't live without
I'm in love but it feels like
I'm livin' it out
I'm in lovebut I think I picked a Bad Time To be in love
