How could she look so fine  
How could it be she might be mine  
How could she be so cool  
I've been taken for a fool  
So many times  
It's a story of a man  
Who works as hard as he can  
Just to be a man  
who stands on his own  
But the book always burns  
As the story takes it turn  
An leaves a broken man  
How could she be so cool  
How could she be so fine  
I owe a favor to a friend  
My friends they always come through for me- Yeah  
It's a story of a man  
Who works as hard as he can  
Just to be a man  
who stands on his own  
But the book always burns  
As the story takes it turn  
An leaves a broken man  
If you could only live my life  
You could see the difference you make to me- To me

I'd look right up at night  
And all I'd see was darkness  
Now I see the stars alright  
I wanna reach right up and grab one for you  
When the lights went down in your house  
Yeah that made me happy  
The sweat I make for you  
Yeah...I think you know where that comes from

Well I'd look right up at night  
And all I'd see was darkness  
Now I see the stars alright  
I wanna reach right up and grab one for you  
When the lights went down in your house  
Yeah that made me happy  
The sweat I make for you

I think you know where that comes from

How could she look so good(So good)

How could she be so fine

How could she be so cool

How could it be she might be mine
