All the love in the world couldn't save you
All the innocence inside
You know I tried so hard to make you
Ooo to make you change your mind

And it hurts too much to see you
And how you left yourself behind
You know I wouldn't want to be you
Now there's a hell I can't describe

So now I wander through my days
Trying to find my ways
To the feelings that I felt
I saved for you and no one else
And though as long as this road seems
I know it's called the street of dreams
But that's not stardust on my feet
It leaves a taste that's bittersweet
That's called the blues

I don't know just what I should do
Everywhere I go I see you
Though it's what you planned, this much is true
What I thought was beautiful, don't live inside of you
anymore

I don't know just what I should do
Everywhere I go I see you
Though it's what you planned, this much is true
What I thought was beautiful, don't live inside of you
anymore

What this means to me
Is more than I know you believe
What I thought of you now
Has cost more that it should for me

What I thought was true before
Were lies I couldn't see
What I thought was beautiful
Is only memories

Oh oh oh
Whatâ'd I tell you
Oh oh oh
Thatâ's
Oh oh oh
Oh oh oh
Inside if you
