I say, "Baby you been lookin' real good
You know that I remember when we met"
It's funny how I never felt so good
It's a feelin' that I know, I know I'll never forget

Ooh, it was the best time I can remember
Ooh, and the love we shared
Is lovin' that'll last forever

There wasn't much in this heart of mine
There was a little left and babe you found it
It's funny how I never felt so high
It's a feelin' that I know, I know I'll never forget

Ooh, it was the best time I can remember
Ooh and the love we shared
Is lovin' that'll last forever

I think about you
Honey all the time my heart says yes
I think about you
Deep inside I love you best
I think about you
You know you're the one I want
I think about you
Darlin' you're the only one
I think about you

I think about you
You know that I do
I think about you
All with love, only you
I think about you
Ooh, it's true
I think about you
Ohh, yes I do

Somethin' changed in this heart of mine
An' you know that I'm so glad that you showed me
Honey now you're my best friend
I wanna stay together till the very end

Ooh, it was the best time I can remember
Ooh and the love we shared
Is lovin' that'll last forever

I think about you
Honey all the time my heart says yes
I think about you
Deep inside I love you best
I think about you
You know you're the one I want
I think about you
Darlin' you're the only one
I think about you

I think about you
I think about you
I think about you, only you
I think about you
I think about you, only you
I think about you
Only you, only you
Only
