And now I don't know why  
She wouldn't say goodbye  
But then it seems that I  
Had seen it in her eyes

And it might not be wise  
I'd still have to try  
With all the love  
I have inside  
I can't deny

I just can't let it die  
Cause her heart's just like mine  
And she holds her pain inside

So if you ask me why  
She wouldn't say goodbye  
I know somewhere inside

There is a special light  
Still shining bright  
And even on the darkest night  
She can't deny

So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel  
I'm so alive  
I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself  
Within' her eyes

No matter how I try  
They say it's all a lie  
So what's the use of my confessions to a crime

Of passions that won't die  
In my heart

So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel  
I'm so alive

I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself  
Within' her eyes

So if she's somewhere near me  
I hope to God she hears me  
There's no one else  
Could ever make me feel  
I'm so alive

I hoped she'd never leave me  
Please God you must believe me  
I've searched the universe  
And found myself  
Within' her eyes

So now I don't know why  
She wouldn't say goodbye  
It just might be that I  
Had seen it in her eyes  
And now it seems that I  
Gave up my ghost of pride  
I'll never say goodbye
