This one's for you Johnny

It doesn't pay to try  
All the smart boys know why  
It doesn't mean I didn't try  
I just never know why

Feel so cold and all alone  
Cause baby, you're not at home  
And when I'm gone  
Big deal, I'm still alone

Feel so restless, I am  
Beat my head against a pole  
Try to knock some sense  
Down in my bones

And even though I don't show  
The scars are so old

You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
Don't try, don't try

You're just a bastard kid  
And you got no name  
Could you live with me  
We're one and the same

And even though I don't show  
The stars are so old

You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
Don't try, don't try

Johnny  
Yeah your memory  
I wanna put my arms around your memory  
I can try, I can try

Don't try  
Come on

L.A.M.F.  
Like a mutherfucker

Yo Johnny  
What color were her eyes?  
Oh, she was wearing shades?  
Fuck it
