I'm a cold heart breaker fit to burn
And I'll rip your heart in two
Then I'll leave you lyin' on the bed
I'll be out the door before you wake
It's nothin' new to you
'Cause I think we've seen that movie too

'Cause you could be mine
But you're way out of line
With your bitch slap rappin'
And your cocaine tongue
You get nothin' done
I bet you could be mine

Now holidays come and then they go
It's nothin' new today like another memory
When I come home late at night
Don't ask me where I've been
Just count your stars I'm home again

'Cause you could be mine
But you're way out of line
With your bitch slap rappin'
And your cocaine tongue
You get nothin' done
I bet you could be mine

You could be mine
You could be mine
You could be mine
You could be mine
You could be mine
Mine, mine, mine

Ooh, you've gone sketchin' too many times
Ooh, why don't you give it a rest?
Why must you find
Another reason to cry?

While you're breakin' down my back
An' I been rackin' out my brain
It don't matter how we make it

'Cause it always ends the same
You can push it for more mileage
But your flaps are wearin' thin
And I could sleep on it until mornin'
But this nightmare never ends

Don't forget to call my lawyers
With ridiculous demands
And you can take the pity so far
but it's more than I can stand
'Cause this couch trip's gettin' older
Tell me how long has it been?
'Cause five years is forever and
You haven't grown up yet

You could be mine
But you're way out of line
With your bitch slap rappin'
And your cocaine tongue
You get nothin' done
I bet you could be, you should be, you could be mine

Yeah
You could be mine
You could be mine
You could be mine
