It's fine
I'll just stay
Wearing your name
Covered living low
While you live close
Lying loving them
Wearing my name under coverings
Just don't tell me

Live
That's the way
Leave
No ones left
Just
Only me
Yeah
That one thing

Live
You're fickle and you're smiling once again
You're a stranger when you're running out to
Leave
The weekend brings a strong you back to me
Stay... stay

Getting attention you're watching now
You're better off here
You won't just stay
Cause you're not real
No, you don't breathe

Spare my soul please
Spare me from this
I'll escape like you
You're not real
Tearing up my side with consistency
You don't breathe

It's fine
I'll just stay
Wearing your name
Covered living low

While you live close
Lying loving them
Wearing my name under coverings
Just don't tell me

I hold back
It hurts to be here
And stay
I hold back
It hurts to be here
And stay abused
Blinded but still awake
