Our times fall to misleading

Actions which represent

By words unexperienced

Not even close

The hands not slow

It burns the clock

It burns

No you'll never know

What takes it's toll on us

Rest your mind

Trapped numbers

The hands not slow

It burns the clock

It burns

Know

You said you'd stay regardless of

Know

You said yourself

The hands not slow

It burns the clock

It burns
