You can speak  
Words don't hurt me  
You can scream  
But not like me

Fall back, I swear I'd give anything for  
For you to realize, I swear I'd give anything for

You wonder why  
No one hears you  
It's passion, just passion

Look deep inside  
Don't repeat, words aren't toys  
Like the night  
You'll find yourself

Fall back, inside, or fall behind  
Fall back, inside, or fall behind

Pathetic in itself  
No ones got time for words  
Wasting thier patience  
By someone like...
