In the night  
In the morning  
You dont need  
(aa)  
in the night  
in the morning  
you dont need  
(aa)  
have a desire  
it feels like fire  
like a endless search  
in this sexual urge

I never planned for a one night stand  
give it a chanse it could be a romance

In the night  
I feelin high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy, shy  
Just give me a kiss  
Then bye, bye, bye

In the night  
I feelin high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy, shy  
Just give me a kiss  
Then bye, bye, bye

The beauty's are showing  
champagne is flowing  
my laughts get stronger  
its a night long hunger

I never planned for a one night stand  
Give it a chans it could be a romance

In the night  
I feelin high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss  
Then bye, bye, bye

In the night  
I feelin high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss  
Then bye, bye, bye

Desire  
Fire  
Hunger  
Stronger

I never planned for a one night stand  
Give it a chans it could be a romance

In the night  
I feel high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss  
Then bye, bye, bye

In the night  
I feel high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss  
Then bye, bye, bye

In the night  
I feel high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss

Then bye, bye, bye

In the night  
I feel high, high, high  
In the morning  
I wonder why, why, why  
You dont need  
To be shy, shy , shy  
Just give me a kiss  
Then bye, bye, bye
