it's a summernight

lalalalalalalalalala (it's a summer night)

this is your night
everything is right
come light up my life
it's a summernight
this is your night
come on hold me tight
yes, you are the one

it's a hot night, i come from playa
i'm feeling good and i want to partaja
i here the kongas, mm, it feel like fire, aah
my partymood is getting higher

when the lights go out there is no return

i want your body next to mine

i want your body next to mine
