You're my naughty boy
You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha

I'm a ladies man
Always ready to answer a call
Just give me a chance
And I will give you all

For so long I have tried to get to you
Darling you're a one of a kind
In my dreams every night it's me and you
Darling please will you be mine?

You're my naughty boy
You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha

You know who I am

Yeah, I am the one who never ever close the door
Darling, come with your flower, and I will give you more

For so long I have tried to get to you,
Darling you're a one of a kind
In my dreams every night it's me and you
Darling please will you be mine?

You're my naughty boy
You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha

You're my naughty boy

You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha.

I'm your sex bomb
Hold me tight
Darling come with your flower
I'm your naughty boy

You're my naughty boy
You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha
You're my naughty boy,
You're the one my mama loves but daddy wont
Aha aha
Darling you're my naughty boy
You got the touch and I can't get enough
Aha aha.

I'm your naughty boy.

You naughty boy.
