This is your night  
Everything is right  
Come and light up my life  
It's a summer night

This is your night  
Come and hold me tight  
Yes you are the one  
It's a summer night

... la la la la  
It's a summer night

Oh la la  
Teeny weeny string bikini

This is your night  
Everything is right  
Come light up my life  
It's a summer night

This is your night  
Come and hold me tight  
Guess you are the one  
It's a summer night

It's a hot night  
I come from playa  
I'm feeling good  
And I want to partaya

I hear the kongas mmm  
It feels like fire ahh  
My party mood is getting higher

When the lights go out  
There is no return  
Darling show what you can do  
I want your body next to mine

Oh la la  
Teeny weeny string bikini

This is your night  
Everything is right  
Come light up my life  
It's a summer night

This is your night  
Come and hold me tight  
Guess you are the one  
It's a summer night  
It's a summer niight.

Oh la la  
Cha cha cha  
Oh la la  
Summer nights

I saw you body  
I saw your lips  
I saw you dancing and moving your hips  
You have a sunburn  
Like chokolada  
It's you me and pina colada

When the lights go out  
There is no return  
Darling show what you can do  
I want your body next to mine

Oh la la  
Teeny weeny string bikini

This is your night  
Everything is right  
Come light up my life  
It's a summer night

This is your night  
Come and hold me tight  
Guess you are the one  
It's a summer night
