Wanna bite the hand that feeds me  
Wanna turn the tides  
Set the demons free and let them fly  
Strike down the one who leads me  
I'm gonna take his place  
Gonna vindicate the human race

You better watch out  
Cause I'm a war machine  
Better watch out  
Cause I'm a war machine

Take the reins of power  
And seize them  
Draw the battle lines  
Armageddon's just a matter of time  
Tear down the voice of reason  
Let the arrows fly  
Your freedom's just a state of mind

Better watch out  
Cause I'm a war machine  
You better watch out  
Cause I'm a war machine

You better watch out  
Cause I'm a war machine  
You better watch out  
Cause I'm a war machine  
Better watch out  
Cause I'm a war machine  
I'm a war machine  
I'm a war machine
