{*scratching*}

"Collaborate with live niggaz"

"Ill Kid ready to wreck like.."

"Back to.. back.. back to.. back"

[Hook: Both]

Y'all cats don't want war with us

That's why y'all won't be on tour with us

Multiply then we come back with more of us

Back to back, reppin on this Primo track

[Mendoughza]

Uh, yo I, rep to death, hold the tec

With the left hand, wristband, shit man

Bout 26 grand, Brook to the L-Y-N

Duke you can, smell my scent, be holdin five percent

Home with niggaz that do old shit, always throw shit

Always bought and sold shit, dirty down low shit

Cock back and throw shit, kick down ya do' shit

Since ya never sold shit, real .44 shit

[Guru]

Pure kid, rock the sneaks with the Valor kid

The suit shit shit, with the girlies that be cute kid

Real life (?), emcees cry all the while

We street scholars, for every dollar we do or die

Line ya eyesight, explode like dynamite

More than kinda tight, we thugs that you love

Fuck the ones you kinda like

Put the tec to the exec, and get the contract signed
tonight

We shinin bright

[Mendoughza]

I recall up in Canada, remember me my manager?

(Yeah)

Flossin in that spot that featured Joe the Amateur (Uh-
huh)

Niggaz jellin, bitches yellin (Yeah)

Hot enough to get a nigga cock swellin, weed was
sellin

The dude was cross the room with the Rollie started
flashin

Pointin at a nigga and his mans was crazy laughin

Lookin at Da Click in a cowardly fashion

Not knowin that we bout to start the rowdy blastin
[Guru]
Niggaz came with ski-mask and, tried to shake me up
But I ain't gon' let up till god Allah take me up
Chicks tried to throw hints, clean ya breath with no
mints-a
