

Guru "No More"

Visit "[No More](#)" on MotoLyrics.com

Aight, aight, don't be yellin' yo
Calm down man, can we talk like civilized people?
I can't take this no more

I don't love you no more
Come I'll show myself to the door
I don't love you
'Cos I don't love you no more

I don't love you no more
Come I'll show myself to the door
I don't love you
'Cos I don't love you no more

I'm out the door, I can't take it no more
Things have really changed, it's not like before
I mean the vibes between us nowadays are quite shaky
And lately, I ain't been feelin' you baby
Somehow you left my interest wander
And now I'm fond of someone else who's diggin' me
for me
It's what I longed for

About our current arrangement I ain't sure
'Cos I don't think I love you no more
And yo I had a major effect on you I know
But sure you be showin' disrespect to me, so I gotta go
You never gonna see it how I do
And I don't like your attitude and I don't like being lied
to
I'm not a toy you can't push my buttons
We tried to make it work still we've come up with
nothing
So now my patience is thin, the fighting is a bore
And I don't think I love you no more

I don't love you no more
Come I'll show myself to the door
I don't love you
'Cos I don't love you no more

I don't love you no more

Come I'll show myself to the door
I don't love you
'Cos I don't love you no more

Girlfriend I'm walking to the door
Ain't gonna see me no more
All you seem to do is bore
Me, since I came back off tour
See if I can take your ways
I'm walkin' away from only bad days
I know there is no easy way
But there's nothing you can say
To change my mind, yeah

I wish I didn't feel this way, wish I was kidding
But another girl has stepped on the scene to put her
bid in
I never would have looked in another direction
But you got a strange way of showing love and
affection
So I told myself that I deserved better
You only came my way because you heard I had
cheddar
And now you seem to me to be so immature
And I don't think I love you no more

And plus I know about that stuff you told your crew
when we met
I gotta go somewhere so please let me jet
See you forget about my generous ways and my good
heart
You never wanna admit you're wrong, but you should
start
Let's put our differences away and end this peacefully
We haven't been getting along at all recently
I've been thinking about this since I came home from
tour
And I'm sure, I don't love you no more

Girl I gotta explain that I'm not really feeling you no
more
Everything keeps sticking around since I came back off
tour
So tell me why do I have to explain myself baby, yeah
'Cos girl you gotta admit that there's nothing more
For me to say, ooh yeah

I don't love you no more
Come I'll show myself to the door
I don't love you
'Cos I don't love you no more
