All our times -- have come,
Here but now -- they're gone.

Seasons don't fear the reaper,
Nor do the wind,
the sun or the rain So come on baby, (don't fear the reaper)
Take my hand (don't fear the reaper)
We'll be able to fly, (don't fear the reaper)
Cause baby, I'm your man...
Baby, I'm your man...
Valentine -- is done,
Here but now -- they're gone.

Romeo and Juliet,
Are together in eternity (Romeo and Juliet)
40,000 men and women everyday (like Romeo and Juliet)
Another 40,000 everyday (we can be like they are)

So come on baby (don't fear the reaper)
Take my hand (don't fear the reaper)
We'll be able to fly (don't fear the reaper)
Cause baby, I'm your man...
Baby, I'm your man...

Romeo and Juliet,
Are together in eternity (Romeo and Juliet)
So come on baby (don't fear the reaper)
Take my hand (don't fear the reaper)
We'll be able to fly (don't fear the reaper)
Baby, I'm your man...
Baby, I'm your man...

[music to end]
