I would never leave you.....
But how can I stay?
I can never read you....
But sometimes I feel like I need to

Tease meÂ...Â...Â...
Tease meÂ...Â...Â...

Bbbbbbbbrrrrrrrrrrrreeeeeeeeeeee!

I would never leave you.....
But how can I stay?
I can never read you.....
But sometimes I feel like I need to

I never knew that loving you could be so entertaining
one minute the sun is out
next thing its raining

I never knew that loving you would be so entertaining
you really messed me upÂ...
but IÂ'm not complaining

I would never hurt you
Â'cause I love you too much
I would not desert you
but sometimes I feel like I want to
I feel like I want to

I never knew that loving you could be so entertaining
one minute the sun is out and baby
next thing its raining

I never knew that loving you would be so entertaining
you really messed me upÂ...
but IÂ'm not complaining

You tease me

-In the morning baby
You scare me
-In the evening baby

You shake me
-At midnight baby
Every day you drive me crazy don't you?

So how can I stay
You know I really want to
And sometimes I just want to bonk you

I never knew that loving you could be so entertaining
one minute the sun is out and then whatta you know
next thing its raining

I never knew that loving you would be so entertaining
you really messed me up...
you really messed me up
you really messed me up

I never knew that loving you could be so entertaining
one minute the sun is out and
next thing its raining

hey I never knew that loving you would be so damn
entertaining
you really fucked me up.....
but I no complain
I really no complain

Bbbbbbbrrrrrrrrreeeeeeeeeeee!

You tease me
In the morning baby
You scare me
In the evening baby
You shake me
At midnight baby
