"Weekend Soldier"

I'm a soldier from Tennessee
Just a weekend soldier on a killing spree
No alcohol by the sea
Just a pleasant Sunday killing spree

Just look and you'll find
I don't own this thing
Just look and you'll find
Who's free

I'm a soldier out on leave
Got a hellish Monday ahead of me
California, a place to be
For a weekend soldier on a killing spree

Just look and you'll find
I don't know this thing
Just look and you'll find
Who's free

Just look and you'll find
Now I own this thing
Just look and you'll find
Who's free

I'm a soldier from Tennessee
Just a weekend soldier
On a killing spree
Just a weekend soldier
