Is Jesus your pal
Do you call out his name
When your conscience is shivering
Do you need someone too
Just like those people who
Find peace in someone's promises
You sure don't need my promises
So come and sit on my box
Enjoy the view of this water
Where my life boat is sinking
La la la la la
If you open your eyes
Take a look at this mess

Could you fake your reflection child
If you reach out for more
You find nothing but sorrow
'Cause knowledge is hollow
And pride is hard to swallow
So come and sit on my box
Enjoy the view of this water
Where my life boat is sinking
La la la la la
La la la la la la la
La la la la la la la
La la la na na na na na
