Scalp her and I'll fuck her head
Scalp her and I'll fuck her head
And cum inside her brain
Scalp her and I'll fuck her head
Skullfucker!

I've been done before
But not like this
I've got the kiss of death
Upon my lips

And I'm saving it for you!

PAIN! TORTURE! SEX!
Awful bloody pain!
Torture! sex!
When you least expect it!

She was such a pretty girl
She always wore her hair in curls
But she never went to sunday school
I think it's time I...
EDUCATE HER!

PAIN! TORTURE! SEX!
Awful bloody pain!
Torture! sex!
When you least expect it

Scalp her and I'll fuck her head
Scalp her and I'll fuck her head
And cum inside her brain
Scalp her and I'll fuck her head
Skullfucker!

Her mother and father
Called it quits when she was just a kid
Out on the streets
I let her in and look at what she did to me

PAIN! TORTURE! SEX!
Awful bloody pain!

Torture! sex!
When you least expect it

I was such a happy lad
I always loved me mum and dad
But then she took it all away
I guess I'll just let her live and aggravate her

PAIN! TORTURE! SEX!
Awful bloody pain!
Torture! sex!
When you least expect it
