ROCKAPELLA - A Change in my Life

Standing cold and scared on top of Blue Hill,
There came one moment when I lost my will.
I prayed for mercy, " Please, Lord take me away,
Or give me sunshine where I only see grey."
The past had a hold on me, it can't be denied,
And the changes didn't come easily.

Chorus

I've been lonely, I've been cheated, I've been
misunderstood;
I've been washed up, I've been put down, and told I'm
no good.
But with you I belong, 'cause you helped me be strong.
There's a change in my life since you came along.

Now I don't mind working so hard every day,
And I don't pay no mind to what people say.
'Cause after all the pain I've been through,
Lord knows I'd give up everything just to love only you.
All my life I've held my head bent in shame,
But now I've found you, and with you I'll remain.
Lord knows...

(Chorus)

A man gets crazy when his world is all wrong,
And a heart gets weary when it doesn't belong.
When the road gets rocky, Lord, you've got to keep on,
Let the new light come shining on through.

(Repeat chorus and fade)
