Throw away your greatest hits you left them here the  
day you spilt the bass guitar and shaq cd well they  
don't mean that much to me right now Im going  
through your things these days Im changing all my  
strings Gonna write you a letter gonna write you a book  
I wanna see your reaction i wanna see  
how it looks from way up on your cloud where you've  
been hiding out All you get is somewhere or did you  
get lost in Amsterdam!!!!!!!!!! You won't get to far from  
me believing everything you read your wasted in the  
great unknown and I am finnaly ready to dispose Of all  
your vintage clothes your drugs, and every secert code  
Gonna write you a letter gonna write you a book I  
wanna see your reaction i wanna see how it looks from  
way up on your cloud where you've been hiding out All  
you get is somewhere or did you get lost in  
Amsterdam!!!!!!!!!! From your Red Ballon you were a  
super high tech Jet fighter floating over planet earth  
Come back down here I'll show you where it hurts and  
take this bitter pill is it easy to swallowwww Gonna  
write you a letter gonna write you a book I wanna see  
your reaction i wanna see how it looks from way up on  
your cloud your never coming down and all you get is  
somewhere or did you get lost in Amsterdam!!!!!!  
Amsterdam.....
