I'm wide awake,
Its the middle of the night
Standin in the dark
Waitin up for the light

And here I'll remain
Till the sun is in the sky
Standin' in the dark
Waitin' up for the light

There is love
There is peace
In this world
So take it back
Say its not what you'd of thought
Grab a hold
Take these melodies
With you hands
Write a song to sing
Isnt such a bad bad world and I say
whoo who hoo hoo hoo

There times are strange
I can feel it in the night
Sandin in the dark
Holdin up for the light

And here I'll remain,
Till the great sun shines
Standin in the dark

Waitin up for the light

There is love
There is peace
In this world
So take it back
Say it's not what you'd of thought
Grab a hold
Take theses melodies
With your hands
Write a song to sing

It isnt such a bad bad world and I say

There is love
There is peace
In this world
So take it back
Say its not what you'd had thought
Grab a hold,
Take these melodies
With your hands
Write a song to sing
It isnt such a bad bad world
Bad bad world
Bad bad world
And i said
wo ho ho ho ho ho ho
whohohohohohoh

I'm standin' in the dark,
Waitin up for the light
