Seldom are things just as they seem  
Calluses grow to keep what's underneath  
Seeing it now I must admit  
The cowardly way to keep you from me

Cause I have been bought and sold  
Done just as I've been told  
If you, if you ask me what was wrong  
I'd answer nothing  
Nothing

Finally you are gone  
Can't believe that I cared once  
Burn this place, burn it down  
Nothing there's worth being saved

Five years ago when I used to think  
Something is better than nothing  
I never did learn or did I forget?  
Once you give it away you cannot take it back

Cause I have been bought and sold  
Done just as I'd been told  
If you, if you ask me what I'd done  
Was good for nothing  
Nothing

The closer you are  
The less that I see  
But you're not around

Finally you are gone  
Can't believe that I cared once  
Burn this place, burn it down  
Nothing there's worth being saved

Finally you are gone  
Can't believe what I've done  
Burn this place, burn it down  
Nothing's there worth being saved
