

## Guster "Either Way"

Visit "[Either Way](#)" on [MotoLyrics.com](https://MotoLyrics.com)

You were almost kind, you were almost true  
Don't let me see that other side of you  
You have learned in time that you must be cruel  
I'll have to wait to get the best of you

Poison in everything you say  
Don't you, don't you  
Wonder what difference does it make?  
Either way

You were almost kind, you were almost true  
Why give away that other side of you?  
Happens every time so it must be true  
Step on a kid he'll grow up hating you

Poison in every thing you say  
Don't you, don't you  
Wonder what difference does it make?  
Either way

Were you ever kind? Were you always cruel?  
Who's ever seen that other side of you?  
(Either way)  
Happens every time so it must be true  
Where did you learn it's either him or you?

You were almost kind, you were almost true  
Don't give away that other side of you  
You have learned in time that you must be cruel  
I'll have to wait to get the best of you

Poison in everything you say  
Don't you, don't you  
Wonder what difference does it make?  
Either way

Either way
