When you look in the mirror
Wish you were somebody else
Just a perfect reflection
You and no one else

Minutes run into hours
And hours run into days
You're still waiting for someone
Who never ever came

Fa fa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa fa
Never be the same again

You were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say again

Fa fa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa fa
Never be the same again

Go and run through the hallways
Find your way to the door
You will end up like always
Back where you were before

Then you looked in the mirror
Wish you were somebody else
But it's still your reflection
You and no one else

You were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say again

Fa fa fa fa fa fa fa fa
Never be the same again

Fa fa fa fa fa fa fa fa
Never be the same again

No matter where you go
You'll never find your way home
You'll never find your way home
No matter where you go

You were always saying something
Swear you'd never say again
You were always saying something
Swear you'd never say again

Fa fa fa fa fa fa fa fa
Never be the same again
Fa fa fa fa fa fa fa fa
Never be the same again
