When you look in the mirror

Wish you were somebody else

Just a perfect reflection

You and noone else

Minutes run into hours

Hours run into days

You're still waiting for someone

Who never ever came

Fa fa fa fa fa fa fa fa fa

Never be the same again

Fa fa fa fa fa fa fa fa fa

Never be the same again

You are always saying something

You swear you'd never say again

You are always saying something

You swear you'd never say again

Fa fa fa fa fa fa fa fa fa

Never be the same again

Fa fa fa fa fa fa fa fa fa

Never be the same again

Go and run through the hallways

Find your way to the door  
You will end up like always  
Back where you were before  
Then you look in the mirror  
Wish you were somebody else  
But it's still your reflection  
You and noone else  
You are always saying something  
You swear you'd never say again  
You are always saying something  
You swear you'd never say again  
Fa fa fa fa fa fa fa fa  
Never be the same again  
Fa fa fa fa fa fa fa fa  
Never be the same again  
No matter where you go  
You'll never find your way home  
You'll never find your way home  
No matter where you go  
You are always saying something  
You swear you'd never say again  
You are always saying something  
You swear you'd never say again  
Fa fa fa fa fa fa fa fa  
Never be the same again

Fa fa fa fa fa fa fa fa

Never be the same again
