Everyone here's in trouble
The man with the megaphone
Smoke and mirrors and crystal balls and red alerts and
all because
Of the king who hides behind the pawns
I can see what's really going on
I can see what's really going on

Everyone here's a bubble
Merrily floating on
Manicured suburban lawns and patriotic country songs
Pledge allegiance, sing along
I can see what's really going on

I can see what's really going on

Everyone here's in trouble
Angels abandon guard
History is cyclical
Crusaders and the biblical
Light the torches bang the gongs
I can see what's really going on
I can see what's really going on

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na
