Here we are inside a novel
Waiting for an end
But we don't know the authors of the book
Maybe someone's writing chapters
For us while we sleep
From a million miles away

Stuck without a captain or a chart
No one seems to know just who to follow anymore
Hang on
Hang on
There's a twilight
A nighttime and a dawn
Who knows
How long
So hang on
Hang on

If we fell inside a forest
Would it make a sound?
Doesn't seem there's anyone around
Days are long and carry on
We still don't understand
We're a million miles away

Stuck without a captain or a chart
No one seems to know just who to follow anymore
Hang on
Hang on

There's a twilight
A nighttime and a dawn
Who knows
How long
So hang on
Hang on

Hang on
Hang on
When all is shattered
When all your hope is gone
Who knows

How long
There is a twilight
A nighttime and a dawn

We break
We bend
With hand in hand
When hope is gone
Just hang on
Hang on
