If in mornin' you look up
Fake a smile and you sigh
Don't fear the future, in years to come
Learn, you'll learn

I used to sit and watch the pourin' rain
I used to wish to be back home again
Hadn't the strength then, hadn't the chance to reveal
But it's all, it's all in your head, when do we begin?

Although you're so sad
Discovered things never had
It makes you wonder, a life alone
Learn, you'll learn, you'll learn, oh

I used to sit and watch the pouring rain
I used to wish to be back home again
Hadn't the strength then, hadn't the chance to reveal
But it's all, it's all in your head, it's all, it's all in your
head

When do we begin, when do we begin?
You'll learn, you'll learn, you'll learn
Don't fear the future

I used to sit and watch the pourin' rain
I used to wish to be back home again
I hadn't the strength then, hadn't the chance to reveal
But it's all, it's all in your head, it's all, it's all in your
head
It's all, it's all in your head, when do we begin?
