Here we stand  
Like Adam and Eve  
Waterfalls  
The Garden of Eden

Two fools in love  
So beautiful and strong  
The birds in the trees  
Are smiling upon them

From the age of the dinosaurs  
Cars have run on gasoline  
Where, where have they gone?  
Now, it's nothing but flowers

There was a factory  
Now there are mountains and rivers  
You got it, you got it  
We caught a rattlesnake  
Now we got something for dinner  
You got it, you got it

This was a shopping mall  
Now it's all covered with flowers  
You've got it, you've got it  
If this is paradise  
I wish I had a lawnmower  
You've got it, you've got it

Years ago  
I was an angry young man  
I'd pretend  
I was a billboard

Standing tall  
By the side of the road  
I fall in love  
With a beautiful highway

This used to be real estate  
Now it's only fields and trees  
Where, where is the town

Now, it's nothing but flowers

The highways and cars  
Were sacrificed for agriculture  
[Incomprehensible] we'd start over  
But I guess I was wrong

Once there were parking lots  
Now it's a peaceful oasis  
You got it, you got it  
This was a Pizza Hut  
Now it's all covered with daisies  
You got it, you got it

I miss the honky tonks  
Dairy Queens, and 7-Elevens  
You got it, you got it  
And as things fell apart  
Nobody paid much attention  
You got it, you got it

I dream of cherry pies  
Candy bars, and chocolate chip cookies  
You got it, you got it  
We used to microwave  
Now we just eat nuts and berries  
You got it, you got it

This was a discount store  
Now it's turned into a cornfield  
You got it, you got it  
Don't leave me stranded here  
I can't get used to this lifestyle
