Yes, I heard all that you had to say
That's when it all fell apart
Might be hated but I can't pretend
I liked you better before

CHORUS:

So long, so long
Front foot leads the back one
Go on and it won't be too soon
I'm gone, I'm gone
And onto the next one
So long and I won't be back soon

Yes I'm blue but from holding my breath
Like I have from the start
I'm the villain and I should confess
I liked you better before

CHORUS:

So long, so long
Front foot leads the back one
Go on and it won't be too soon
I'm gone, I'm gone
And onto the next one
So long and I won't be back soon

BRIDGE:

It's hateful to say
I see it this way
I don't even know who you are
But in my defense
I'd do it again
I don't need to know who you are

CHORUS:

So long, so long
Front foot leads the back one
Go on and it won't be too soon

I'm gone, I'm gone
And onto the next one
So long and I won't be back soon

BRIDGE:

It's hateful to say
I see it this way
I don't even know who you are
But in my defense
I'd do it again
I don't need to know who you are

CHORUS:

So long, so long
Front foot leads the back one
Go on and it won't be too soon
You're lost and gone
And onto the next one
I don't need to know who you are
I don't need to know who you are
