Turnaround, every now and then I get a
little bit lonely and you're never coming around
Turnaround, Every now and then I get a
little bit tired of watching all the sound of your tears
Turnaround, Every now and then I get a
little bit nervous that the best of all the years has gone
by
Turnaround, Every now and then I get a
little bit terrified and then I see the look in your eyes
Turnaround bright eyes, Every now and
then I fall apart
Turnaround bright eyes, Every now and
then I fall apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time (all of
the time)
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
A total eclipse of the heart
