words and music by Jagger & Richards

Everything seems to be going in the wrong direction
The doctor wants to give me more injections
He's given me shots for a thousand rare infections
And they don't know if they'll let me go

CHORUS:
Connection
No I just can't make no connection
And all I want to do
Is just to get back to you

My bags they get a very close inspection
I wonder why it is that they suspect 'em
They're just tryin' to add me to their collection
And I don't know if they'll let me go

CHORUS
