There was smoke on the water  
A little fire in the sky  
If i hear that song one more time  
I'll stick a fork right in my eye  
Another round and a pickled egg  
A truck pulled up with a 100 kegs  
Just another friday night  
Fuck no fuck no  
Its chug-a-lug night  
Here we go  
Here we go  
Chug-a-lug night  
Kissin' girls you don't know  
Here we go [x2]  
Beer is in my hair  
And vomits on my toes  
Here we go [x2]  
For no damn reason  
I'm takin' off my clothes  
Here we go [x2]  
I walked to the bar  
But now i'm driving...  
I still believe in anarchy  
Pardon me sir i have to pee  
Passed out greaser on the floor  
A beer fart on his pompadour  
I'm quite happy almost gay  
What the fuck did i just say  
Something new every night  
Fuck no fuck no  
Its chug-a-lug night  
Here we go [x2]  
Chug-a-lug night  
Kissin' girls you don't know  
Here we go [x2]  
Beer is in my hair  
And vomits on my toes  
Here we go [x2]  
For no damn reason  
I'm takin' off my clothes  
Here we go [x2]

I walked to the bar  
But now i'm drivin home
