Mt. rushmore is my favorite monument
The goldsteer is a gorgeous restaurant
Golden tan and a latin accent
Cowboy boots and cologne
What is this a gift for me?
A gorgeous piece of jewelry
A diamond studded bumble bee
It looks good on you or me
I love the way it looks on mr. t
I was a pirate in a former life
Miners and piano players
What is this gift for me?
A gorgeous piece of jewelry
A diamond studded bumble bee
It looks good on you or me
No -- no-no-no-no-no
It goes well with a sequined dress
And accentuates my hairy chest
I love carrots not in stew
Holiday in africa
No, i'm a jewelry lover
