The town that i grew up in
La habras what it's called
I knew a guy named sluggo
Webol head rolo guy crook and ron

The west side was the one side
Full of pride suba and cocaine
He will be beatin on a brat with a baseball bat
I said to him are you insane and he said im chicano

Sugar bears a lawyer rolos in and out of ocj
Brown power fred get you ass out of bed richard
guiterez sounded gay

The west side was the one side
Full of pride complimentary cash

You don't even have to ask
To get a bullet in the ass

One thing they had in common
They were ah ah chicano
