Stop  
People please  
While surfing in the ocean  
I somehow lost my hairpiece

I watched my age increase  
As some pesky octopus  
Took my tuft of manhood from me

(chorus)  
Duck diving for my hairpiece  
Im searching for my hairpiece  
Duck diving for my hairpiece  
Octopus hairpiece

Look there on the reef  
Make a lasso with my leash  
Ride my sea horse to the deep

Im at one with the sea  
Im a surfer from the soul  
Until a clam swallowed my toupee whole

(repeat chorus)

Yea dude did i say dude  
I know i sound like bill and ted  
I got a sunburn on my head  
Ive been to indo been to france  
But the hairpieces are cheaper  
Down in costa rica

(repeat chorus)
