I never wanted to be in charge
I never really wanted to have a great car
I was told if I work real hard
I'd always be a sucker
And my life would pass me.

Take a minute to stop and listen
Not everything I do has reason
I'm not gonna always get things right
But the mistakes I've made
They're gonna get me paid

(Chorus)
I need a vacation
A holiday in the sun
I need a vacation
From you

Try to stop but please don't dare me
Doing wrong but the cops don't scare me
Two wrongs gonna make it right
Do it my way all night long

Never listen to a word you say now
Gonna write my own book to live now
People always want to tell me how to live my life

(Chorus)

Try to stop but please don't dare me
Doing wrong but the cops don't scare me
Two wrongs gonna make it right
My way all night long

Try to stop but please don't dare me
Doing wrong but the cops don't scare me
Two wrongs gonna make it right
Do it my way all night long

Never listen to a word you say now
Gonna write my own book to live now

People always want to tell me how to live my life

(Chorus)
