wasted lives (x4)
wasted lives
the blood runs red
suns gonna rise and we'll all be dead
wasted lives
ty's inbred
when he has kids
they will have mongoloid heads
wasted lives
chino bred
karin/kevin and his sister are newlyweds
wasted (x2)
wasted lives (x4)
wasted lives
more shock therapy
don's crooked eye is terrifying me
wasted lives
L-S-D
look at me i'm a chimpanzee
wasted lives
keep it low key
scott sits down when he has to pee
wasted (x2)
wasted lives (x4)
(guitar)
wasted (x2)
waste-ted lives (x4)
wasted lives (x4)
wasted
